honoured to receive this taonga.

Nga mihi koutou.

Introducing a new course with ISK. Traffic Management

We are introducing a new course
through ISK which is the Traffic
Management course held on
Thursday 16th – Friday 17th March
with TTM Training and
Compliance Ltd.

Over the two-day duration of this
course we will cover:

Unit Standard 31958: TTM Worker
Entry Level qualification.

Unit Standard 31959: Traffic
Management Operative Non-
Practicing.

This is a great opportunity to gain
qualifications and upskill in Traffic
Management for the benefit of the
community and the workplace.

If you are interested in this course
please contact Tarey for more
information at Tarey@isk.nz.

Training Opportunities for Year 13 Students and School Leavers.

Prior to Christmas ISK and the Careers Advisors of the Eastern Bay Secondary Schools, together with representatives from Toi Ohomai and Toi Eda, meet to discuss making ISK's training schedule available to Year 13 Students and School Leavers. At the suggestion of the ISK Board it was also agreed for the students to avail themselves of visits to local businesses so that they become aware of the work opportunities available in Kawerau.

A group of school advisors are shown below during a visit to the Milbank Electrical.

100% Pass Rate!

In conjunction with ISK and Toi Eda we provided another successful "Training School Leavers" Forklift course that had a 100% pass rate!

We look forward to providing our Rangatahi with these awesome opportunities again in 2023!
