General Management change at ISK

Su Cammell has been instrumental in the inception & development of ISK since the very beginning. Her energy and leadership has been especially valuable during the creation of ISK as an independent Incorporated Society. Su wished to see ISK on firm footing before moving on from her role as Project Manager and that time has arrived.

ISK is pleased to have Peter Cowley join the ISK team as General Manager. Peter comes with long and varied experience in business & senior leadership roles in NZ and abroad.

To get in touch with Peter send him an email at peter@isk.nz

The forum will be open to all members.

Senior members of the Council – including the Mayor, Deputy Mayor and CEO will be present.

While the main issues for discussion are:
