The University of Waikato Business School

On Tuesday 28th March it was our pleasure to host members from The University of Waikato Business School and the Honorable Steven Joyce.

This meeting was held to discuss issues that our community, businesses, and local iwi would like to resolve in conjunction with the University so that Kawerau and its surroundings can realize its potential.

Welcome to Nastassia Te Riini

ISK would like to welcome Nastassia Te Riini to our team.

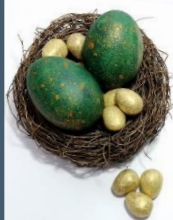

Nastassia is our new Rangatahi Liaison/Administrator whose role will be to liaise with local iwi/hauora and schools to help Rangatahi upskill and pave a pathway to employment.

Nastassia comes to ISK with experience working within the Forestry and Horticulture industries.

Radio 1xx

ISK is proud to announce that
1xx is now a member.

We look forward to collaborating with Glen and his team.

Have a great Easter Weekend

First Aid for Infants

ISK facilitated its first, “First Aid for Infants” course on the 8th March at Ngati Awa Social and Health Services Marae in Whakatane.

It was such an amazing day spent with Ngati Awa and whanau who thoroughly enjoyed the course and took home useful tools and skills in case of emergencies.

Thank you Ngati Awa Social and Health Services for your Manaakitanga and Whanaungatanga given during our visit.

Private Training

We have been approached to put together a Fire Extinguisher course. This will be held here at ISK on Wednesday 12th April.

ISK is only too willing to assist with providing any training which is not listed in our training schedule. Contact Tarey to discuss private booking.

Overall number of training attendees

From its inception in May 2022 ISK has now passed 632 trainees through our courses.

We would like to thank all who have attended our training courses and look forward to our continuance in upskilling our community.
