Tena koe ISK

Vaccination Clinic

ISK will be holding another Covid vaccination clinic on Friday 28 January, from 1pm to 2:30pm at the Manukorihi Drive office. First, second or booster doses will be available. If you would like to make a booking please call (07 323 4088) or [email](#) us. Walk-ins are welcome on the day.

MSD Stand Down Subsidy

If companies are required to stand down staff that are awaiting the results of a PCR Covid test and/or isolating at home, MSD has made funding available. There are two different categories, Short Term Absence and Leave Support Scheme. If your business needs assistance understanding their eligibility for either of these subsidies, please let us know.

Rapid Antigen Tests available

Testing for Covid in the workplace can be easily done on-site using Rapid Antigen Tests (RAT). ISK have an established supply chain and can source test kits for businesses. Also available are booklets that record an individual's RAT results. To find out more give us a call on 07 323 4088 or send us an [email](#).

Industry Entrance - Kawerau

ISK is working with Tarawera High School to help develop the next generation of industry workers. The Industry Entrance programme is designed to give an insight into the workplace. It involves senior students spending time on site at a business to experience the environment. If your company would like to be involved or find out more, send us an [email](#).
