ISK CareerLink

ISK are developing an online platform that is aimed at connecting employers with potential employees. CareerLink is designed to help people find their ideal career in industry. The platform will be simple to use and structured to make hiring staff easier for ISK members. Anyone searching for an industry job in Kawerau can use the platform, from highly qualified experts in Christchurch to someone in Te Teko looking for their first job.

ISK CareerLink is set to be released in April, the platform will be published on the [ISK website](#).

Send us an [email](#) if you have any questions or would like to sign up.

ISK Training Service

Another project that ISK have been developing for several months is the ISK Training Service. ISK have formed strong relationships with training providers and industrial companies in Kawerau to be able to offer this service to members. The Training Service is aimed at providing industry training/certification for employees in Kawerau. Rather than employees having to travel outside of town, missing work for the day, the training can be provided here in Kawerau.

The Training Service is set to roll out in April. If you would like any more information about the ISK Training Service, please give Elise a call 07 3234088 or send her an [email](#).
