

### Inaugural ISK Meeting

The inaugural ISK AGM is being held at Life Konnect this coming Wednesday on the 20th October, starting at 10am. The founding members have some formal matters to attend to i.e. adoption of the Transitional Board's recommendations on subscriptions and the Election of Officers – but this section of the meeting won't take long and you can still have your say on these matters.

Then there will be a presentation on a proposed ISK Training Management System, Dr Sarah Gardiner will talk about her plans for the Fletcher Ave Medical Centre and Jacob Kajavala will outline the future focus of ISK.

So please, join us.

### Outward Bound intake

Outward Bound have generously provided ISK with ten scholarships in 2022 each worth \$4,595 and we are now looking for nominations from members for the February and March Outward Bound courses. There are two spaces available on each of these courses and nominees must be between 18 and 26 years old.

The 21 day courses are well known for building confidence and leadership in young individuals.

If you'd like to nominate someone from your company who you think would be suitable or you would just like to discuss this further, please just give us a call.

### Industry Med

As you know, Norske Skog Tasman Limited has ceased to operate the Tasman Occupational Health Centre which has been sold to Dr. Sarah Gardiner. [Industry Med](#) is the new name of the health centre located on Fletcher Ave and will start operating on the 25<sup>th</sup> October.

Dr Sarah will be at the ISK AGM on the 20<sup>th</sup> to explain what services will be offered to industry.

### ISK vaccination clinic

On Thursday 14 October the ISK offices on Manukorihi Drive hosted a Covid vaccination clinic. Between 9am and 3pm 52 people were vaccinated. By bringing the clinic to the industry it made getting the vaccine easier. Another vaccine clinic will be hosted in three weeks on *4 November*. Get in touch if you would like to book a time or find out more.
